### Contents

### Dear Reader,

The following worksheets are available for you to use to plan your project. Please note that the worksheets are designed to be downloaded and used in conjunction with the book and your project as it unfolds. We have not included the financial spreadsheets at this time due to the wide variety of project types and their respective social impact metrics. We may offer "prototype" spreadsheets in the future should there be sufficient demand.

Should you not have formal training in finance and accounting, before you try to go beyond page 21, we strongly suggest that you seek out support from someone with the necessary expertise to assist you in creating your own venture performance goals and Discovery Driven Plan.

Happy social enterprising! May the wind always be at the back of your social enterprise!

Mac and Jim November 2013

### Screen-in Criteria

| Criteria   | Very      | Low | - > V | ery | High |
|--|-----------|-----|-------|-----|------|
| Number of people who will benefit                                | 1         | 2   | 3     | 4   | 5    |
| Suffering of target beneficiary as a result of problem           | 1         | 2   | 3     | 4   | 5    |
| Long-term social impact potential of project                     | 1         | 2   | 3     | 4   | 5    |
| Degree of stakeholder support for project                        | 1         | 2   | 3     | 4   | 5    |
| Receptiveness of target beneficiaries to solution                | 1         | 2   | 3     | 4   | 5    |
| Degree of local knowledge and experience of team and/or advisors | 1         | 2   | 3     | 4   | 5    |
| Degree of entrepreneurial experience of management               | 1         | 2   | 3     | 4   | 5    |
| Ease of testing on a small scale (low cost, short time frame)    | 1         | 2   | 3     | 4   | 5    |
| Total Score  | out of 40 |     |       |     |      |

# Segment Attractiveness Features

| Factors  | Segment 1: | Segment 2: | Segment 3: |
|--|------------|------------|------------|
| 1. Pervasiveness—scale and scope of the        |            |            |            |
| segment need                                   |            |            |            |
| 2. Acceptance of your offering by              |            |            |            |
| customer/target beneficiary and other key      |            |            |            |
| players  |            |            |            |
| 3. Salience to customer/target beneficiary—    |            |            |            |
| is the need your solution meets important to   |            |            |            |
| the customer compared with other needs?        |            |            |            |
| 4. Urgency to customer—is it important that    |            |            |            |
| the need be satisfied soon, or can it wait?    |            |            |            |
| 5. Visibility of benefit—can the satisfaction  |            |            |            |
| of the need be easily observed?                |            |            |            |
| 6. Timeliness of effect—can the need be        |            |            |            |
| quickly satisfied by your offering, or will it |            |            |            |
| be delayed?                                    |            |            |            |
| 7. Credibility of your company—is it seen      |            |            |            |
| as legitimate, qualified, and competent?       |            |            |            |
| 8. Performance contingency—is your             |            |            |            |
| solution sure to work?                         |            |            |            |
| 9. Competitiveness of your solution—how        |            |            |            |
| does it fare against alternative solutions?    |            |            |            |
| 10. Fundability of the purchase and use by     |            |            |            |
| segment—is your solution fundable?             |            |            |            |
| Total  |            |            |            |

# **Beneficiary Experience Table**

| Step | Beneficiary Experience |
|------|------------------------|
| 1    |                        |
| 2    |                        |
| 3    |                        |
| 4    |                        |
| 5    |                        |
| 6    |                        |
| 7    |                        |
| 8    |                        |
| 9    |                        |
| 10   |                        |
| 11   |                        |
| 12   |                        |
| 13   |                        |
| 14   |                        |
| 15   |                        |
| 16   |                        |
| 17   |                        |
| 18   |                        |
| 19   |                        |
| 20   |                        |

### Beneficiary Experience Table: Most Competitive Alternative

| Step | Beneficiary<br>Experience Step | Advantages of<br>Your Venture | Advantages of<br>Competitor 1 | Advantages of<br>Competitor 2 |
|------|--------------------------------|-------------------------------|-------------------------------|-------------------------------|
| 1    |                                |                               |                               |                               |
| 2    |                                |                               |                               |                               |
| 3    |                                |                               |                               |                               |
| 4    |                                |                               |                               |                               |
| 5    |                                |                               |                               |                               |
| 6    |                                |                               |                               |                               |
| 7    |                                |                               |                               |                               |
| 8    |                                |                               |                               |                               |
| 9    |                                |                               |                               |                               |
| 10   |                                |                               |                               |                               |
| 11   |                                |                               |                               |                               |
| 12   |                                |                               |                               |                               |
| 13   |                                |                               |                               |                               |
| 14   |                                |                               |                               |                               |
| 15   |                                |                               |                               |                               |
| 16   |                                |                               |                               |                               |
| 17   |                                |                               |                               |                               |
| 18   |                                |                               |                               |                               |
| 19   |                                |                               |                               |                               |
| 20   |                                |                               |                               |                               |

### **Deliverables** Table

| Step | Your Deliverables |
|------|-------------------|
| 1    |                   |
| 2    |                   |
| 3    |                   |
| 4    |                   |
| 5    |                   |
| 6    |                   |
| 7    |                   |
| 8    |                   |
| 9    |                   |
| 10   |                   |
| 11   |                   |
| 12   |                   |
| 13   |                   |
| 14   |                   |
| 15   |                   |
| 16   |                   |
| 17   |                   |
| 18   |                   |
| 19   |                   |
| 20   |                   |

### Deliverables Table with Required Capabilities

| Step | Your Deliverables Step | Capabilities Needed |
|------|------------------------|---------------------|
| 1    |                        |                     |
| 2    |                        |                     |
| 3    |                        |                     |
| 4    |                        |                     |
| 5    |                        |                     |
| 6    |                        |                     |
| 7    |                        |                     |
| 8    |                        |                     |
| 9    |                        |                     |
| 10   |                        |                     |

|                      |                     |                           |                        |
|                      |                     |                           |                        |

### Tactics Table for Opponent

#### Type of support needed:

#### Major current issues occupying stakeholder attention:

For each plausible tactic, specify what you will deploy for what purpose.

| Tactical Option                              | Opponent: |
|--|-----------|
| Can you deploy your knowledge, skills, and   |           |
| capabilities to solve opponent's problem in  |           |
| order to build influence for horse-trading?  |           |
| Or   |           |
| Can you threaten to deploy your knowledge,   |           |
| skills, and capabilities to aggravate        |           |
| opponent's position?                         |           |
| Can you reward opponent for cessation of     |           |
| opposition?                                  |           |
| Or   |           |
| Can you deploy your resources to threaten to |           |
| aggravate opponent's position?               |           |
| Can you use your allies or even your ally's  |           |
| allies to neutralize opponent or heat-shield |           |
| your project from the opponent?              |           |
| Can you create a safe haven away from        |           |
| opponent retaliation?                        |           |

### **Tactics Table for Allies**

#### Type of support needed:

#### Major current issues occupying stakeholder attention:

For each plausible tactic, specify what you will deploy for what purpose.

| Tactical Option                                 | Ally: |
|---|-------|
| Can you deploy your knowledge, skills, and      |       |
| capabilities to induce the ally to support you? |       |
| Can you deploy your physical and financial      |       |
| resources to induce the ally to support you?    |       |
| Can you deploy your network connections to      |       |
| induce the ally to support you?                 |       |

### Tactics Table for Needed Indifferent

#### Type of support needed:

#### Major current issues occupying stakeholder attention:

For each plausible tactic, specify what you will deploy for what purpose.

| Tactical Option                                  | Needed Indifferent: |
|--|---------------------|
|  |                     |
| Can you deploy your knowledge, skills, and       |                     |
| capabilities to solve indifferent's problem in   |                     |
| order to secure indifferent's support?           |                     |
| Can you deploy your physical and financial       |                     |
| resources to entice the indifferent's support?   |                     |
| Can you use allies or your ally's allies in your |                     |
| network to mobilize indifferents?                |                     |

# **Concept Statement**

| The Problem and the Proposed          | Solution |
|---------------------------------------|----------|
| The problem                           |          |
| Proposed solution                     |          |
| Required behavioral changes and       |          |
| associated challenges                 |          |
| <b>Business Proposition</b>           |          |
| Unit of social impact                 |          |
| Unit of revenue                       |          |
| Market and Competition                |          |
| Identify seed market segment          |          |
| Identify most competitive alternative |          |
| State how your solution is better     |          |
| than most competitive alternative     |          |
| Sociopolitical Landscape              |          |
| Who benefits from my business?        |          |
| Who is hurt by my business?           |          |
| Who are key stakeholders?             |          |
| Who are my allies?                    |          |
| Who are my opponents?                 |          |

# Scoping the Venture

| Requirements                               | Calculation | Example            | Your Project |
|--|-------------|--------------------|--------------|
| Minimum Social Impact Requirement          | S           |                    |              |
| Unit of social impact                      |             | Trained worker     |              |
| Minimum number of social impact units      | Х           | 300 workers        |              |
| Number of revenue units / impact unit      | Y           | 800 boxes/year     |              |
| Minimum required sales in units per year   | XxY         | 240,000 boxes/year |              |
|  |             |                    |              |
| Minimum Financial Requirements             |             |                    |              |
| Revenue generating unit                    | А           | 1 Box              |              |
| Surplus / profit goal                      | В           | \$60,000           |              |
| Profitability target / performance cushion | С           | 15% ROS            |              |
| Required total revenues / year             | BxC         | \$400,000          |              |
| Estimated price per unit                   | D           | \$2 / box cookies  |              |
| Minimum required sales in units per year   | (BxC)/D     | 200,000 boxes/year |              |
